## EDUCATIONAL EXCURSION

Dear Parent/Guardian,

The following school activity has been organised: Our Stage 2 unit of work, **Understanding Each Other** involves the study of the solar system and religions of the world. This activity relates to the solar system.

**ACTIVITY:** CSIRO will be providing the Starlab Planetarium, a dome structure (3.2m high & 7 x 7 on the ground). Inside this large dome structure, students will have the opportunity to view the skyline and follow the path of our stars and planets.

**WHERE YOUR CHILD IS GOING:** At School in the hall.

**WHEN YOUR CHILD IS GOING:** Year 3 Monday August 3rd 2009  
Year 4 Monday August 10<sup>th</sup> 2009

**HOW MUCH WILL THIS COST:** \$ 7.00

**OTHER INFORMATION:** Each class will have a 1hour lesson presented by a CSIRO scientist inside the Starlab dome.

**TEACHERS:** K. Warth, P. Thomson, K. Minogue, D. Smith, J. Morrone and K. McLennan

This visit has the approval of the Principal.

Would you please complete the consent form below and return to school as soon as possible.

Thank you

K. Jacobsen
